HRC NORTH CAROLINA

THE HUMAN RIGHTS CAMPAIGN

With local steering committees in The Triangle and Charlotte, HRC North Carolina has more than 23,000 members who are involved in the community through outreach, education, events, and corporate support.

We are HRC North Carolina!

By empowering and mobilizing people at the grassroots level, HRC North Carolina aims to create impactful change while providing advocacy for the Human Rights Campaign's mission and work on the ground.

In addition to educating the public about the issues that affect LGBTQ+ people and their families, HRC North Carolina works to engage LGBTQ+ people and allies in the fight for equality, raise money to fund HRC's work, build strong relationships with local businesses and like-minded organizations, and turn out voters to elect pro-Equality candidates into office. Members of the HRC North Carolina Steering Committees serve as co-chairs of different program committees and bring their skills and talents to the work. Each program focuses on different aspects of HRC's work in the community, such as fundraising, community engagement, expanding membership, volunteer recruitment, and political action.

In 2022, HRC North Carolina helped to mobilize thousands of voters all across the United States, leading to record breaking numbers of LGBTQ+, BIPOC, and pro-equality candidates being elected in a historic midterm. HRC's work at the state level led to the demise of many anti-trans and "Don't say gay" bills before they were even called to a vote. And through partnership with like-minded organizations, HRC is working to protect the right to reproductive and gender affirming healthcare across our nation.

We know our reasons to celebrate are many, but with the Dobbs decision looming over us, we have seen how quickly our progress can vanish. That's why we are working alongside our allies in Congress to pass sweeping protections for the LGBTQ+ community through the Respect for Marriage Act and the Equality Act. The road ahead is long, but we know with the support of organizations like yours, we can defend the progress we've made and continue to advance equality.

Please join us in supporting our **30th annual HRC North Carolina Dinner, held on Saturday, March 21 2026** in Charlotte. Nearly 1,000 LGBTQ people and allies are expected to attend the annual event, which is the highlight of the fundraising year for the LGBTQ community in the Carolinas.

As the largest civil rights organization working to achieve equality for lesbian, gay, bisexual, transgender, and queer Americans, the Human Rights Campaign represents a force of more than 3 million members and supporters nationwide — all committed to making HRC's vision a reality.

HRC envisions a world where lesbian, gay, bisexual, transgender, and queer people are embraced as full members of society at home, at work, and in every community.
