HRC CHICAGO DINNER

Weaving the Future Together

**EVERY THREAD MATTERS.
EVERY COLOR STRENGTHENS OUR COMMUNITY.**

In a time when the LGBTQ+ community continues to face unprecedented challenges, every individual has the opportunity to make a meaningful difference. This year's theme, reminds us that lasting progress is created one person, one family, and one act of generosity at a time.

The fabric of our future is woven from countless stories of courage, compassion, and hope. It is strengthened by individuals and families who believe that every LGBTQ+ person deserves to live openly, safely, and authentically.

For more than four decades, the Human Rights Campaign has been the nation's largest LGBTQ+ civil rights organization, advancing equality through advocacy, education, and community engagement. Here in Chicago, the Annual Dinner & Auction has become one of the Midwest's premier celebrations of equality, bringing together nearly **800** corporate leaders, elected officials, philanthropists, advocates, and community members who share a common vision of a future where every LGBTQ+ person can live openly, safely, and authentically.

On **Saturday, October 24, 2026**, we invite you to join us at the Sheraton Grand Chicago Riverwalk for an unforgettable evening of inspiration, celebration, and purpose. Together, we will recognize progress, honor leadership, and invest in the work that continues long after the evening ends.

Your support helps fuel advocacy, education, and community-building efforts that extend far beyond a single evening—creating spaces where young people can thrive, advancing policies that protect LGBTQ+ lives, strengthening workplaces and communities, and ensuring that future generations inherit a world that is more welcoming than the one we know today.

Whether you give as an individual, a family, or in honor of someone you love, your leadership sends a powerful message: **equality is built by people willing to show up for one another.**

As we look toward tomorrow, we recognize that the strongest future is one woven from many voices, experiences, and perspectives.

**Together,
we are Woven in Color.**
