ABOUT HRC

The Human Rights Campaign represents a grassroots force of over 4 million members and supporters nationwide and is the largest lesbian, gay, bisexual, trans-gender and queer (LGBTQ+) civil rights organization in the United States. HRC effectively lobbies Congress, mobilizes grassroots action in diverse communities, invests strategically to elect a fair-minded Congress and increases public understanding through innovative education and communication strategies.

HRC is a bipartisan organization that works to advance equality based on sexual orientation and gender expression and identity, to ensure that LGBTQ+ people can be open, honest and safe at home, at work and in the community.

ABOUT THE EVENT

This fun, festive and fabulous afternoon will be anything but frivolous. All the funds raised from ticket, co-host and host committee sales go directly back to the fight for LGBTQ+ equality.

Generously hosted at the Provincetown Arts Society, the event will take place on Saturday, July 25, 2026 from 3 PM - 5 PM and will feature cocktails and hors d'oeuvres and remarks from HRC President Kelley Robinson, along with other local and national HRC leaders.

SUPPORTING THE EVENT

Your support for HRC's summer gathering will help HRC leverage our people power nationwide to interrupt some of the worst attacks on our community and mobilize 75 million Equality Voters to send pro-equality lawmakers to office. Together, we can spearhead a reality where our rights and freedoms are protected and go undisputed.

In addition to general ticket sales, we have three higher-support levels to choose from, but we would be happy to work with you to customize your support beyond the listed levels to further advance the work of HRC.
