

How to Register for The National LGBTQIA+ Health Education Center Webinars

Before you can watch specific webinars, you must first create an account with the National LGBTQIA+ Health Education Center.

To do so, go to www.lgbtqihealtheducation.org and click on “My Learning” in the top right and then on “Login” in the dropdown.

If you already have an account, you should log in with your email address.

If you have an account and have not logged in since before December 4, 2019, you will need to re-set your password to gain access to the site. [You can re-set your password here.](#)

If you do not have an account, you can register for an account here.

To register, you must complete all the information in the form.

The screenshot shows the registration page of the National LGBTQIA+ Health Education Center. The page is split into two main sections: 'Login' on the left and 'Register' on the right. The 'Register' section contains a form with the following fields: Username, Email, First Name, and Last Name. Below these fields is a 'Register' button, which is highlighted with a red rectangle and an orange arrow pointing to it from the right. Above the 'Register' button, it says 'Registration confirmation will be emailed to you.' The top navigation bar includes 'Learning Resources', 'What We Offer', 'About Us', and 'My Learning'. The logo for the National LGBTQIA+ Health Education Center is visible in the top left corner.

After you click "register", you will receive an email with a link to set your account password.

Once you are logged into your account, if you wish to receive HEI credit, you will need to update your HEI information. To do that, click on "My Learning" and then "HEI Information."

The screenshot shows the homepage of the National LGBTQIA+ Health Education Center. The top navigation bar includes 'Learning Resources', 'What We Offer', 'About Us', and 'My Learning'. The 'My Learning' dropdown menu is open, showing options for 'Profile', 'HEI Information', and 'Logout'. The 'HEI Information' option is highlighted with a red rectangle and an orange arrow pointing to it from the right. The main content area features a large green banner for a webinar titled 'PrEP for Transgender and Gender Diverse (TGD) People' by Dr. Kevin Ard, dated 29 September, 2020. The banner includes a 'Read More' button. The left sidebar contains sections for 'We Are The National LGBTQIA+ Health Education Center', 'Ready to Learn?' with a 'Get Started' button, and 'Want to Connect?' with a 'Contact Us' button.

You must complete all the information in the HEI form to receive credit.

My HEI Information

If you are interested in receiving HEI credit for completing courses on our website, you must submit the information below. This will be added to your profile and your completed courses will be automatically submitted to HRC for HEI credit.

To view the different webinar options, use the drop-down menu under “Learning Resources”. The “All Resources” tab will allow you to view the different webinar options, along with learning modules, and other resources.

Learning Resources — Webinars

The learning resources page is where you can find the webinars listed with descriptions. Use the column on the right to filter by resource type or resource topic.

Health at the Intersection of Sexuality, Gender, and Disability

Webinar Originally presented on 21 June 2022

This course is eligible for CME credit

At the intersection of LGBTQIA+ identities and disability status, patients face increased health disparities and increased barriers to care. This webinar will focus on the unique needs of disabled, mad, chronically ill, and neuro divergent LGBTQIA2S+ patients, helping health care providers and centers to provide support for overcoming challenges in access to care, including how to provide culturally responsive care, and how to manage and advocate for affirming and accessible referrals when additional services are needed.

Affirming Health Care for LGBTQIA+ People during the COVID-19 Pandemic

Webinar Originally presented on 15 June 2022

This course is eligible for CME credit

This panel-style presentation will feature a diverse group of providers in mental health, nursing, and medicine with expertise in LGBTQIA+ health, providing their unique perspectives on how the COVID-19 pandemic has affected patient care and how to provide affirming treatment and support for LGBTQIA+ people during the pandemic, including the effects of COVID-19, including depression triggered by social isolation.
